In the academic year 2019-20, the college building was renovated, during which a ramp facility was made available for differently-abled students. The estimated cost of this construction has been included under the head maintenance and repair in the audit report; hence, there is no separate bill for it.

"To Whom It May Concern"

This to certify that following appropriate measures taken for proper treatment, disposal, and recycling procedures.

1) Solid Waste Management :

Institute has separate tank for solid waste management if needed.

2) E-waste Management:

Institute has Room for E-waste management. All the e-waste collected in this room and submitted to Gitai Computer for further recycling and disposal.

3) Vermicomposting Unit:

Institute has vermicomposting unit for the natural waste like grass, leaves, and wasted woods. Institute creates fertilizer with this waste without burning and uses it for its garden.

4) Hazardous Waste: Institute does not have any clinical or chemical waste so institute does not have this kind of waste management.

5) Other Kind of Waste Management and disposal: other than above waste, Institute hand over this waste to Akola Municipal Cooperation Waste collection unit (Daily vehicles available in area).
